Kryo 30 liquid (20 l)

P/N: 569-00610-00

Non-flammable thermal fluid for heating and low-temperature range.
20 l thermal fluid for Hei-CHILL Chillers

Kryo 30 liquid (20 l) - Technical Data

Temperature range	-30 – +90 °C
Chemical characterization	Monoethylene glycol/water mixture containing inhibitors
Color	Light yellow
Viscosity, kinematic at 20 °C	4 mm^2/s
Destiny at 20 °C	1,082 kg/m^3
Pour Point	< -70 °C
Flash point	ca. 120 °C
Water solubility	Completely soluble
Material incompatibility	Not known incompatibility with other materials
